Musical Theatre - Learn the art of performing on a Broadway or West End stage – a combined dance and singing warm up will be followed by choreography to classic and new hit musical numbers. If you're a "Gleek" you'll love this class!

Tap - Master the different steps and rhythms of tap dancing. The class will include a warm up introducing and practicing tap steps and phrases, followed by choreography to a new number each term

Jazz - Warm up focuses on strength and flexibility, followed by choreography to the latest pop, rock and r'n'b music. We offer commercial and lyrical jazz.

Drama - Fun improvisation warm up exercises, followed by script work and performance techniques

20:20:20 - This class is designed to give the younger child a little taste of the three elements of performing arts – singing, dancing and acting in one fun session

Adult Dance - We'll do approximately 45 minutes of jazz and 45 minutes of tap (see above descriptions for both)

Adult Drama/ Musical Theatre – Fun improvisation and voice warm up games, followed by choreography to a classic or new hit musical from the stage or screen

Location - Classes are taught in an air conditioned, mirrored room at Provo Primary School. Everyone is welcome – students can be enrolled at any school to join these classes. You must pre register though, no drop ins please

*Cost - We offer a FREE TASTER CLASS for children's classes – no charge for your first class in any new subject. Pre Registration for the Free Taster is **essential**. Classes are \$15 per 60 minutes or \$20 per 90 minute class thereafter. To reserve your place in a class the term must be paid for in full with pre registration, although new students can join after the term has started (if there is space) and rates will be pro rated. We don't offer drop-in fees in order to manage class sizes.*
