

Beautiful by Nature
The world is not our trash can

Beautiful by Nature,
Let's make a difference!

**Beautiful by nature,
Trashed by humans!**

Beautiful by nature, destroyed by humans

***Beautiful By Nature,
Destroyed by pollution.***

Beautiful by nature,
The world is not a trash can!

Beautiful by Nature, keep the world clean

It's hard to hear the ocean in garbage.

Beautiful by nature.
Keep it that way.

I don't hear the ocean in garbage.

Beautiful by nature.
Protect it.

Providenciales
Primary School

Beautiful by nature, ruined by garbage.

Beautiful by nature.
Polluted by humans.

**Beautiful by nature,
Trashed by humans.**

**Beautiful by nature,
Enclosed by litter.**

**Beautiful by Nature,
Let's make a difference !**
