COMMUNITY HELPERS

A guide to the Areas of Learning in the Early Years

Teachers include a wide variety of objectives when planning for children's learning in the Early Years. This helps children to make links in their learning and to better understand the world around them. The seven Areas of Learning referred to above are as follows:

PSED: Personal, Social and Emotional Development; **L:** Literacy; **CL:** Communication and Language; **M:** Mathematics; **UW:** Understanding the World; **PD:** Physical Development; **EAD:** Expressive Arts and Design.
