

How to build

a Rocket

Have you ever

wanted to go

How to build a

Rocket it is

very complicated

You Have to follow

2

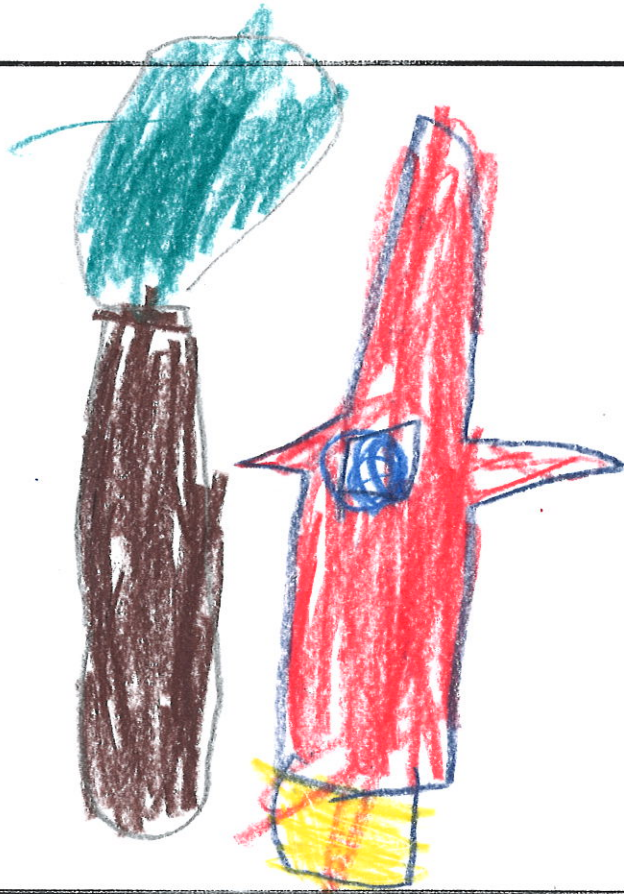

Threes in strucksbern

You can scalee

Bild a Perseck :

Rockito

Step 1

Paint

your card

board tube

write a

Step 2

Blow The

Crowe on The

Top of your

Card board choob

Step 3

Stick The Things

on The Butterm of

Your card board choob

6

Step for Stick.

The hole

lock it to a

balloon.

finally you

can fly your

ROCKET. Good luck.
