

## The yellow Squishy Banana That spoke

Once upon a time there was a gardener who felt extremely hungry. So he went outside and picked a yellow squishy banana. "Hands off!" said the yellow squishy Banana. The gardener looked at his really fluffy cat. "Did you say that?" "It was the yellow squishy Banana!" said the really fluffy cat. "Aaaaarrggghhh!" screamed the gardener.

So he ran and he ran and he ran until he came to a fire station where he met a fireman and his fire truck. "Why are you running so fast when the sun is shining so bright?" said the fire man. "First a yellow squishy Banana spoke to me and next my really fluffy cat!" said the gardener. "That's impossible!" said the fire man. "Oh no it isn't!" said the fire truck. "Aaaaarrggghhh!" screamed the gardener.

So he ran and he ran and ran until he came to a circus where he met a lion-tamer and his lion. "Why are you running so fast when the sun is shining so bright?" said the lion-tamer. "First a yellow squishy Banana spoke to me, and next my really fluffy cat, and after that a fire truck, panted the gardener. "That's impossible!" shouted the lion-tamer. "Oh no it isn't!" said the lion. "Aaaaarrggghhh!" screamed the gardener.

So he ran and he ran and he ran until he came to a laboratory where he met a wizard and his wand.

"Why are you running so fast when the sun is shining so bright?" asked the wizard.

"First a yellow, squishy banana spoke to me, and next my really fluffy cat, after that a fire truck and finally a lion." gasped the gardener.

"That's impossible! Get out of here you foolish man!" shouted the wizard. Sadly the poor gardener walked home with his head hung down. The wizard stared round and round how silly of him to imagine that things could speak!" said the wizard. There was a long silence.

"Quite so whoever heard of a talking yellow, squishy banana?" said the children.
