

2015 Primary School Football Tournament

I am writing for the boys' side of our football tournament this year. It was a breathtaking experience for both the fans and the players. Everyone participating in the tournament played their heart out and for the boys A-team it paid off as we won the tournament!!!!!! Unfortunately, our boys B-team had equally played their hearts out but had lost.

In our first match (A-team) we played the International School and won 2-1. They were a difficult opponent and since they are our rivals it was an electrifying atmosphere. It was like watching Manchester United play Manchester City or Barcelona play Real Madrid the classico of primary school.

In the final we played another great team, Enid Capron. We were all feeling nervous and the moment we stepped on the pitch there was no coming off. We all got into a team huddle and boosted our confidence. We didn't score until the last couple of minutes of the game. It was a great team effort and then we just defended for our lives. The game was over... we won!!!

Provo Primary has won this tournament 2 years in a row. We celebrated by dumping a cooler of ice water on top of Mr. George. I wish the boys the best of luck for another great tournament next year!
