

## **Girls 2015 Primary School Tournament**

This year the Provo Primary School girls' soccer team thoroughly enjoyed participating in the inter-primary school soccer tournament. They played hard and tried their best whilst demonstrating good sportsmanship and fair play. In the end, the girls' team had a great outcome with members from Years 4-6.

The first game took place on Tuesday 19th May 2015. They played Enid Capron. The score remained 0-0 until half-time. In the second half, the first goal was scored by KM (Y6). Later on in the match, 2 goals were scored by JC (Y6) which was then followed by a goal from MC (Y6). The final score was 4-0 to Provo Primary. The girls then advanced to the semi-finals but were later informed they were not to play and that they were advancing straight to the finals! The team were due to play Oseta Jaguars at 4:00pm on Thursday 21st May 2015. The match started and the first goal was scored by Oseta Jaguars. Determined, CW (Y6) scored her first goal of the tournament, equalizing the score to 1-1. Then in the second half JC (Y6) scored bringing Provo Primary one goal up. Before they knew it, the final whistle was blown indicating that the match was over; Provo Primary had pulled out a win!

It was the first time the girls' team had ever won and everyone was filled to the brim with excitement. They then received a trophy and returned to school with it. 2015's Inter-Primary School Soccer Tournament was one that will be remembered because it was the first time the girls' team had ever won and hopefully Provo Primary has more wins in store for them in the future.
