

“Success For Every Learner”

2016 Education Week Song

Composed by the Music Department at Clement Howell High

CHORUS

Do you wanna be

Do you wanna be

Do you wanna be, Successful

Do you wanna be an achiever

Do you wanna soar

Do you wanna soar

Do you wanna soar higher

step into the light (2x)

Oh whooo!

Well there's a place for every learner

There's a place for everyone

In the Turks and Caicos Islands

True Education can be found

It's a type of Education

That caters to your need

A very extra special package

So every learner can succeed +-

CHORUS

Do you wanna lift

Do you wanna lift

Do you wanna lift your family

Do you wanna lift out of poverty

Do you wanna build

Do you wanna build

Do you wanna build a nation

have prosperity

So be certain you step right in line

Cause no one should be left behind

In the Turks and Caicos Island

Everyone should be on time

Success for every learner

This is our highest goal

And so we say to every learner

Give it your heart, your mind, your soul

Back to chorus and repeat

VAMP

Do you wanna be, do you wanna be (successful)

Do you wanna soar, do you wanna soar (Higher and Higher)

Do you wanna lift, do you wanna lift (our families)

Do you wanna build to wanna build (our nation)

(Repeat 2x)
