

# My name...

My name, means world destruction, innocent people will live and breathe my wrath. My name, stands for world domination for each countries leader. My name, would scare the people at risk, the people at need and the people in power. My name, will forever be a horrible past.

My name, was known by the whole world, feared by, terrorized by. My name, wouldn't be the center of peace, but the center of anger. My name, lasted for a long time, longer than you can imagine. My name, was created by the man who destroyed the world, Adolf Hitler.

My name was different in Britain. My name meant air crafts, bombs, and tombs. My name, was victorious to Germany, It meant the Great war. My name wont be forgotten.

My name, is danger to the Jewish. My name, can take away their life. My name, fills them with sadness and tears. My name, is able them apart.

My name, is sadness and brings tears to the heart. My name wouldn't be worshiped or ever changed. My name is... World War 2.
