

TURTLE WEEK:

TCI Shines

Saturday
23rd April

Join us anytime between 7:00-9:00AM
at the Children's Park in the Bight

Not creating litter and being part of a beach clean-up is a powerful way in which we can make a difference to our wildlife's well-being here in the TCI.

Bring along protective gloves (we'll have some too if you don't have any) a black bag, a hat, sunblock and a smile!

Help us ensure that rubbish at the park and on the beach
doesn't find its way into the ocean!
