Primary School

Flamingos and Chicks

at Provo Primary School

FREE Parent/Carer and Toddler Sessions

Fridays throughout July and August

(look out for confirmation on Facebook each week)

9am – 10am

Birth to 2 years

Look out for details on when to fly on down to Provo Primary School for our fabulous **Flamingo (parent/carers) and **Chick** (toddler) sessions.**

Don't miss out on this fantastic opportunity to enjoy our air-conditioned soft play room and join in with some fun activities with your toddler.

We have lots of great toys and exploratory activity centres available for your young chicks to enjoy, ALL FOR FREE, while parents can relax, chat and enjoy some cool air!

We encourage you to bring a little snack and drink for when your little chick gets peckish.

You can also use this opportunity to meet some of our teachers and learn more about why Provo Primary is a leader in Early Childhood Education. Learn for example, how we plan activities that develop children's natural curiosity, creativity and joy of learning; how we nurture and support children's personal and social development and how we teach Literacy and Maths in Early Years.

Find out why these early stages of development, and our approach to learning, are so important for future understanding and why this leads to us having such a strong track record of academic success in Year 6 moving on to the BWI Collegiate School and TCI Middle School.

Please let us know via the following email addresses, if you would like to find out more. Please email Alison, our school Director, at director@provoprimary.com. You can also call her on 431 6327.

We look forward to seeing a whole flock of Flamingos at Provo Primary soon; so please spread the word via air-mail, email or word of beak!
