Drop Off: 8.10-8.30
Pick Up: 12pm or 3pm

Please remember to bring a hat,
plenty of water, a change of clothes
and a healthy snack

Topic!

Little Scientists

J.K. will venture into a world of investigation and exploration.

Using all their senses and skills the children will be actively involved in many child friendly science experiments. Please see the Topic Map to get a picture of what your child will be doing in class 😊

Dear Parents and Children,

Welcome back to school! We hope you had a fantastic Christmas holiday! We are so happy to be back after a lovely rest!

Please watch the notice board for any events coming up this term such as World Book Day, Education Week, Mother's Day, Sports Day and our Spring Bonnet Parade, along with various PTA events!

Continuing from last term, we have our Spanish teacher, Mrs. Yorcka, and other teaching assistants who come and support us throughout Tuesday, Wednesday and Thursday mornings. This allows us to do lots of small group activities both in class and around the school.

Now that the children are feeling more settled, if there are any of you who would like to come and spend time in class with the children then please come and see me. So do feel welcome to come and join us to read, do crafts, cooking or just play!

Thank you for all your support last year and especially the helping hands at our party! Thank you for all your support last year and especially the helping hands at our party!

All the best to you and your families this coming year,

Miss Claire Marie and Mrs Jeannette
