

Understanding the World

People and Communities

- What colour of cars do we all have – arrange a walk around the car park to log the teachers cars and find out the colours of the children's cars.

The World

- Play the game of land sea or air transport.
- Watch a video showing interesting types of transport used in the snow, the city and the desert.

Technology

- Use the Internet and iPads to explore transport.
- Create maps and routes using the Bee-Bot robots in school.

Mathematics

Numbers

- Use the number cards and informal games to count out cars, planes etc.
- Play one more, one less, how many passengers, how many chairs.

Shape, Space & Measure

- Order the transport size cards with hoops, stones etc..
- Look at what shapes we need to create the vehicle we like.

Personal, Social and Emotional Development

Making Relationships

- Pass around a small transport item and when the child is holding they share their transport experience.

Self-confidence and Self-awareness

- Share what journeys we have all been on and what type of transport they used.

Managing Feelings and Behaviour

- Explore safe ways of travelling when walking, on a plane, in a car.

Physical Development

Moving and Handling

- Use the imagination to travel like different vehicles.

Health and Self-care

- Be bright at night. Road safety.

Transportation in the T.C.I.

Communication & Language

Listening and Attention

- Listen to the different transport sounds and identifying them.

Understanding

- Use vocabulary to describe the transportation they are interested in.
- Listen to, recite and sing poems and songs

Speaking

- Learn vocabulary related to transport. Play a game – "I went on aand I saw, heard, felt"

Literacy

Reading

- Play the alphabet train game to assist sound and letter knowledge. Which items with the same beginning sounds go in the correct carriage.

Writing

- Use different mediums to draw and manipulate materials to create types of transport. Teach how to draw a...

Look At Our Vehicles...

- Cars
- Aeroplanes
- Boats
- Trucks
- Bikes

Expressive Arts and Design

Exploring and using Media and Materials.

- Create vehicles using different mediums.
- Make a passport for each child.

Being imaginative

- Enter into an imaginary world in the class airport and aeroplane.
- Role play driving a car, or flying a plane and sailing a boat.
