

Come join Provo Primary's National Heritage Month Celebrations

National Heritage Celebration Assembly (Friday 7th October @1:30pm)

Everyone is invited to join us as our Years 1-6 honour our national songs, tales and dances. This will be followed by an opportunity to view some Heritage artefact on display and to sample some local traditional food. Come join the celebrations!

National Heritage Project Fridays

Every Friday afternoon, our children will be engaged in a range of really hands-on, exploratory Heritage and Cultural projects. We will be inviting talented local members of our community to share and demonstrate a range of traditional experiences for the children to be actively involved in – including Sloop building, tabby house construction, sisal weaving, traditional music making and recreation activities such as maypole dancing and pulling peggy (tug of war), along with traditional cuisine and bush medicine.

**Do you have a talent to share
with us one Friday afternoon?**

Please contact us at info@provoprimary.com or 441 5628. We'd love to hear from you!

National Heritage Showcase (Friday 18th November @2:15pm)

Come along to our 'Showcase', where everyone is invited to come along to see the children demonstrating their new knowledge and skills learned during our Heritage and Cultural projects.

We'll be encouraging you to have a go yourself and maybe you'll even get to sample some of our cooking too!

Together, let's make National Heritage Month really special!
