

### Literacy

- Ancient Egyptians Myths and Imaginary World stories
- Information writing – historical research
- Reports – The discovery of Tutankhamun's tomb
- Recounts – Ancient Egyptian burial rituals
- Poetry – Traditional and Performance Poetry

### Art/D.T.

- \* Can we make a picture frame that stands?
- \* What kind of picture could we place in the frame? We will research into Ancient Egyptian styles and see if we can produce a unique portrait of ourselves...it maybe scary, so watch out!

### Science

#### Light and Shadow

- \* How are shadows created? Why and how do they move? Why do they get smaller and larger?
- \* How did the Ancient Egyptians tell the time?

#### Forces and Magnets

- \* What is a 'force'? Which materials attract or repel magnets?
- Throughout all our experiments we will be looking how 'variables' are used to make a test fair!

### History

- \* How do we find out about the past?
- What are artefacts and who are archaeologists?
- Who were the Ancient Egyptians and what is their legacy?

### Computing

- \* Multi Media – use of a range of methods to share and present information - PowerPoint
- \* E-Safety.
- \* Programming.
- \* How to safely receive and send emails including attachments.

#### **Other subjects taught outside the topic:**

**R.E.** - What is the Bible and why is it important to Christians? Introduction of Holy Books from other faiths.
