Dinosaurs

J.K. will venture into a land before time.

Using role-play, small world activities and technology, we will travel back in time to investigate all aspects of dinosaurs. If you have any books, props or anything dinosaur related at home, your child is welcome to bring them in to share with the class.

Dear Parents and Children,

Welcome back to school! We hope you had a fantastic Spring Break! We are so happy to be back after a lovely rest!

Please watch the notice board for any events coming up this term such as Mother's Day, Father's Day, Earth Day and Turtle Day to name a few.

Due to the children feeling more settled, if there are any of you who would like to come and spend time in class with the class then please come and see me. Your welcome to read, do crafts, cooking or just play!

The temperature is rising so please remember hats, plenty water and sunblock!

Full Day kids please remember to bring a blanket and a little extra afternoon snack.

Thank you for all your support last year.

Miss Claire Marie and Ms Shara.
