# Pre-School News---Who Am I? How Can I Help?

#### Dear parents,

### Welcome back!

Spring is the time when we see lots of developmental changes taking place in the children. They have all returned from two weeks of rest with newfound maturity, ready to explore more of the great unknown!

### **Extended Learning Opportunities**

This term we will be:

- Introducing the Letterland characters with a focus on the lowercase letters in the children's names
- Working on number recognition from 1-10, exploring one to one corresponding.
  We will be learning number songs to help us with simple addition and subtraction
- Continuing to enhance fine and gross motor skills through body movement opportunities.

Our topic this term....

### "When I grow up, I want to be a .. "!

The preschoolers will share pre-knowledge of how community helpers help and learn more about their roles, places of work, job function and their uniforms etc. All these learning goals will be met through the eight areas of learning. The children will explore each learning centre and try some fun and challenging hands-on games.
