

# TODDLER CLASS NEWSLETTER

## Hello Parents,

Welcome back to the last term in the school year. So far, we have accomplished a lot of skills and will continue to make progress with many others. During our first week back, we learned about the famous “Rock Iguana”, that is only found here in the Turks and Caicos Islands. We made lots of iguana crafts and also had a hat parade. Look out for some photos of us on the school blog!

During the next five weeks of this term, we will be learning about Community Helpers. Our theme will be “People who Help Us”. We will explore the dentist, firefighter, doctor, police, veterinarian and the chef. More details of our topics is attached to this newsletter, in our Topic Map.

If you have any photos of your child with a community helper, please bring them in or email them to us so that we can display them our classroom. We would appreciate any related dress-up clothing, books or toys as well - thank you in advance.

## Parents and Teachers Conference

Please let me know if you are interested in having a parent/teacher conference with me. We will send home a short, written report in June and will have a chance to meet again then too.

## New Student

We would like to welcome, Marius Walkin and parents Mr. Bradley and Sandra Walkin to our Toddler programme. We look forward to having him and making his toddler experience an extremely fun and memorable one.

Thank you for your continued support.
