

How do we use story writing to explain our history, culture and beliefs? Can we tell stories from different perspectives? - Literacy

Understand the impact of the American War of Independence on the U.S and how this influenced the early settlers in the T.C.I. - Social Studies

First Settlers

Use what we have learned about the first settlers and their struggles and portray this through different materials and mediums- Art and Design

To try out different designs for implements the First Settlers would have needed and use scientific knowledge to identify significant features of an artefact to be designed.

To test out and then adjust designs in a systematic way in the light of evidence collected- Science
