

# Year 5 Summer Term Newsletter

Provo Primary School

April 2018

*Welcome back, I hope the Easter bunny was good to you all and I*

*hope most of you got to appreciate the lovely public holidays we have had over the past two weeks.*

*We are now in the last term of Year 5 and it is going to be a busy, exciting and fun-filled term to finish the year! We are going to be focusing on a fantastic T.C.I topic (see next page) which incorporates a lot of the different subjects and should lead to lots of exciting trips further afield too! Our topic will focus on who the Early Settlers were. We will be studying the American Revolution and how this led to Loyalists settling in the T.C.I and their lives here, before then bringing into focus modern-day T.C.I ; how we live today, how we cope with our climate, the changing nature of our coasts and much more! Let's make it a great final term together!*

This term we will also be preparing for our End of Year 5 Tests and the transition into Year 6 – the children's final year in primary! To help us prepare for all of this we will continue with the same homework as last term, although it may be focused more upon areas the children identify as their weaknesses or areas they wish to revise. Therefore, homework will be due:

## **Literacy and Numeracy:**

**Monday for Wednesday-Reading Journal/Math**

**Wednesday for Friday –Reading Journal/Math**

**as well as spelling once a week and Social Studies and Science once a week.**

In P.E we will be doing Tag Rugby, and Orienteering/Problem solving, then next month, Swimming and Dance. A gentle reminder to ensure your child has the appropriate swimwear (consult our policy or feel free to ask!) We will continue to be lucky enough to benefit from several teachers in addition to myself: We are hoping to engage the expertise of Surfside TCI to support our swimming programme and Raiven de Souza, the new intern with the Turks and Caicos Islands Rugby Football Union, to come along and support our Tag Rugby lessons. Mrs. Niki and Ms. Alison will teach Music and Mrs. Yorcka will continue to teach Spanish as well as Art and Design.

I would once again repeat that if you, or anyone you know of, in the community would like to share their special skills/expertise in a relevant area with the children I would love to hear from you particularly as we enter into our third topic which is all about T.C.I. today and in the past. I am sure the children would love to learn about any stories on the islands or family history here!

*Please, if you have any questions, problems, ideas or issues to discuss (however big or small), feel free to come and speak to me before or after school. I look forward to another successful term, challenging your children to reach their fullest potential!*

*Warmest regards, Miss Cara*
