

# Quality Education for All (QEfA)

Lyrics and Music by The Long Bay High School Team

## **Verse 1**

When I wake up in the morning  
*(gotta pack my bag and go)*  
Feel the sunshine on my face  
*(gotta catch the bus and roll)*  
To have an education like this will,  
Never, ever be replaced  
We're talking quality, for you and me  
We're reaching for the stars  
And it will take you there, around the world  
To travel near and far

## **Chorus**

Education is uniting  
Start learning and stop fighting  
Our future we're rewriting  
It's what we're striving for

Engage in life long learning  
Integrity we're earning here  
It's quality education for all

## **Verse 2**

Yeah you can learn at anytime  
*(no matter you age)*  
You can learn in any way  
*(don't ever be afraid)*  
See education is a passport  
That can take you anywhere  
Providing quality  
In this country  
Knowledge is the key  
Yes this is quality for all to see  
Unlock a better me

## **Chorus**

Education is uniting  
Start learning and stop fighting  
Our future we're rewriting  
It's what we're striving for

Engage in life long learning  
Integrity we're earning here  
It's quality education for all

## **Bridge**

Today I make a vow  
To be responsible from now  
I am determined to advance this nation (all)  
Respecting what I see is being invested in me  
I'll set the pace for future generations

## **Chorus x2**
